A community fully alive in Christ

Victoria was a Saint Brigid student from 1959 – 1967, attending from 1st through 8th grades. She went on to graduate from Regina High School, and then Texas Woman's University in Denton, Texas and Loyola University New Orleans (Bachelor's and Master's Degrees in Nursing).

Victoria married her husband Robert Yeatts at St. Ann's Catholic Church in Cadillac, Michigan and they have four children (David, Jason, Bridget, and Robert Jr.) and two grandchildren. Victoria has had a long career in nursing, education, and public health, and currently works for the Dallas County Health and Human Services, directing the COVID-19 School Health Response Special Investigations as an Epidemiology Surveillance Coordinator. Among a long list of professional recognitions and awards, Victoria was honored in March 2021 as a Healthcare Hero at the Dallas County Medical Society Alliance Foundation for extraordinary service during the pandemic. She was also recognized in 2016 by then Bishop Kevin Farrell of the Diocese of Dallas with the Bishop's Award for Service to the Church.

From her time at Saint Brigid, Victoria in particular thanks Sister Mary Paul, her choir teacher who inspired a lifelong interest in music. Today, she serves as cantor and does the music planning at two parishes in Texas. She also sang for many years with the Dallas Symphony Chorus, performing concerts at Carnegie Hall in New York, with Zubin Mehta and the Israeli Philharmonic Orchestra, and in other countries around the world. Thank you Victoria for your many years of service to your community and the Church!
