

# 2020's

2020 school year started like any other year, even holding the first few Lenten fish fries of the season. Then on March 24, the state shut down due to COVID-19.

School became remote for the remainder of the year and even Masses became virtual.

Virtual art projects, science projects, spirit weeks, and birthdays became the norm.

Share pics of your school spirit each day on Facebook! Let's stay connected and pray together each day. We're in this TOGETHER!

IT'S A GREAT DAY TO BE A KNIGHT!

We returned to in person learning in the Fall of 2021 with face masks. We used desk shields during snack and took temperatures with a thermal camera.

Athletics returned at the start of the 2021 school year.

Field trips were reinstated during the 2021-2022 school year.

In 2000, we began our annual "Come and Grow With Us" Community Garden outside of the school building.
